ASTORIA'S VISITORS.

Astoria will have as visitors today, and for two more days the members of the G. A. R. of Oregon; the remnant of one of the grandest battles that ever existed in this Union. These old fellows, now crippled and leaning about, many of them tottering on the verge of the grave, were once the young manhood of the country. They were the flower of the North. Accustomed to peace and peaceful vocations, they were suddenly called to arms. They did not wait a second call. Many were mere boys, just beginning their college course, many were just through school and ready to start into business, many of them were engaged and just ready to marry, many of them were just married and ready to celebrate their honeymoon, many of them already fathers of bright girls and boys; all alike, thought of their country first and sacrificed all for it— took chances in losing all life, for their country and the right.

Many of them never returned; they lost all. Many were maimed and disabled through exposure, for life. Some, it is true, escaped, but many proved victims to grim-visaged war. Some of those who escaped are visitors in Astoria today. They expect to be entertained. Arrangements have already been made for their entertainment. Let Astoria do herself proud. She may have the wealthy and the brainy and the great with her but she will never have better and greater than the men who wear the bronze buttons. Show them the respect due them. Put yourself out of the way to favor them. Turn over the city to them. See that they are not neglected in any thing. When they go away let them retain a green spot in their memory for their few remaining years for Astoria.

They have no greater friends today than the men in gray—the men they fought for so many years. If they earned the friendship of their foes by their honorable warfare and their respect for humanity and their kindness to a defeated enemy, it is no wonder that they so well merit the appreciation of their friends. Again, let Astoria open her doors to the veterans.

It is claimed that some of the school children oppose joining in the parade. A reasonable excuse is not given. It seems strange that the children of this day and time would dislike to march with the old veterans through the principal streets of the city for a short time and under the magnificent arch on

The Truth

Is told by most people. If it were not, the whole commercial and social fabric would fall to pieces. There are thousands upon thousands of people who testify to the cures effected by Dr.

Pierce's Golden Medical Discovery. They are representative people in their communities. You would believe their word on any question of knowledge. They speak the simple truth when they testify that Doctor Pierce's Golden Medical Discovery cures dyspepsia, "weak" stomach and other diseases of the stomach and of the allied organs of digestion and nutrition. It cures when all other remedial means have failed. It cures perfectly and permanently.

There is no alcohol in the "Discovery." It is free from opium, cocaine and all other narcotics. Accept no substitute for Dr. Pierce's Golden Medical Discovery. There is nothing "just as good."

"It was a total wreck—could not eat or sleep," writes Mr. J. O. Heers, of Herryman, Crawford Co., Mo. "For two years I tried medicine from doctors, but received very little benefit. I lost flesh and strength, was not able to do a good day's work. I commenced taking Dr. Pierce's Golden Medical Discovery, and when I had taken one bottle I could sleep, and my appetite was wonderfully improved. I have taken five bottles and am still improving."

Dr. Pierce's Medical Adviser, paper-covered, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

Commercial street, when many years ago these veterans marched through darkness and storm and lead and hail for the very liberty that these children are now enjoying.

Teachers encourage the children to turn out in full force; parents, do the same; let all, from the youngest to the oldest, do honors to the old heroes.

"I may not have hurt 'Fishwheel' Williamson very bad, but we got the scalp of the leader on the state ticket," said a prominent Democratic leader.

"There is nothing like standing to your colors; we fought a hard fight. If we did lose,"—Daily Budget.

Have there been any bets paid yet, that may have to be returned with interest?

"We were the worst frightened candidates on the ticket,"—Pohl and Astbury.

"It was a great victory, but it could have been greater,"—Hon. C. J. Curd.

Were those Furman buttons discarded too soon?

INTERESTING TO ASHMA SUFFERERS.

Daniel Bagge, of Ottumwa, Iowa, writes, "I have had asthma for three or four years and have tried about all the cough and asthma cures in the market and have received treatment from physicians in New York and other cities, but got very little benefit until I tried Foley's Honey and Tar which gave me immediate relief and I will never be without it in my house. I sincerely recommend it to all."—For sale by Frank Hart.

When you demand from destiny great wealth you should ask for wisdom with it.

SAVED A WOMAN'S LIFE.

Sufferers from Coughs, Colds, Throat and Lung Troubles need this great remedy, for it never disappoints. Cure is guaranteed by Chas. Rogers. Price 50c and \$1.00. Trial bottles free.

TEN YEARS IN BED.
R. A. Gray, J. P. Oakville, Ind., writes: "For ten years I was confined to my bed with disease of my kidneys. It was so severe that I could not move part of the time. WAS WASTING AWAY.

The following letter from Robert R. Watts, of Salem, Mo., is instructive: "I have been troubled with kidney disease for the last five years. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." Sold by Frank Hart.
